Baviaan

Aromatic layers of white peach, jasmine, & orange blossom unfold on the nose. The palate is textured & balanced with bright acidity, citrus zest, & a saline edge leading to a long, mineral finish.

Skietkraal

Light yellow in colour. Subtle aromas of stone fruit, quince, & pear. The palate is pithy and textured with linear acidity, leading to a peach & apricot finish. Rich & gently waxy with lingering minerality.

Sielverkoper

Aromas of wild blackberries, cracked pepper, & violets lead to a layered palate of black fruit, earthy spice, & savoury tannins. The wine shows tension & freshness, with a refined texture and a lingering mineral finish.
